## SCANNING SERVICES & PRICING

### HIGH RESOLUTION SCANNING

We offer high resolution scanning of all film sizes, from 35mm and 120mm film, to large format negatives, photographs and other flat surface materials. We offer full post-production services with all scans upon request. Please inquire about our digital editing services.

#### Hasselblad Flextight X5

Print up to	Price
16x20	\$35
24x30	\$70
30x40	\$110
40x60	\$160
Larger than 40x60	\$220

#### Epson Expression 11000XL

Original Print/Object Size	Price
Under 11x17in	\$35
11x17 to 20x24in	\$50
20x24 to 24x36in	\$70
Larger than 24x36in	Please Call to Discuss

### FUJI FRONTIER SCANS

Our Fuji Frontier scanner is great for those looking for lower resolution scanning of film rolls, slides, and cut negatives. These scans work as contact sheets, reference images, or as smaller prints. Frontier scans are delivered as TIFF files and include no spotting or adjustments.

Uncut Roll Film	\$10/ roll
Cut Roll Strips	\$3/ strip
Loose Negatives and 35mm Slides	\$2.25 each
DVD	\$24.95 each

### BULK PHOTO SCANS

Got a shoebox full of old photographs? Our bulk scanning service allows us to scan a large quantity of photographs (up to 8x10in) and make you digital files at a cost effective price point.

First 50 Photos	\$89.95
Additional Photos	\$0.99 each
*Extra DVD Copies	\$19.95 each

\*First DVD included with scans
